

2023 FTH FOOD SCIENTIST CAMP

\$295 PER WEEK

9 am – 12 pm

This camp is offers the opportunity for exploration and preparation of foods using a sensory-informed, play-based approach. In addition to developing children’s life skills and expanding their food repertoire, the camp incorporates motor skills, organizational skills, sequencing, social skills, math, science, nutritional awareness with the goals of reducing anxiety around food, increasing willingness to explore a variety of foods and feeling more comfortable at the table.

- ♥ July 17 - July 20 Monday thru Thursday
- ♥ Therapy visit (s) will occur during this time frame and will be charged as they usually are and separated from the camp fee.
- ♥ Minimum of 4 children required for camp
