

2023 Preschool Sensory & Motor Program

Monday & Wednesday

9am-12pm

From the Heart Therapy is pleased to offer a developmentally appropriate preschool group geared toward the needs of children who may need help developing the needed skills to attend, function, and transition between activities within a typical preschool program. Taught by a COTA with a bachelor's degree and 23 years experience in early childhood development, this program includes a balance of activities including group and individual, fine and gross motor, and play and pre-academic skills. Sensory needs, social-emotional, and regulation skills are embedded within the curriculum to assist your child as he or she grows.

- ♥ Suitable for Ages 2 ½ through 5.
